

# INN WIDE

Faith Blakemore, Steinbeis 2i GmbH

[blakemore@steinbeis-europa.de](mailto:blakemore@steinbeis-europa.de)

This project has received funding from the European Union's Horizon 2020 research and innovation programme under grant agreement n° 822273.  
This document reflects only the author's view and the Commission is not responsible for any use that may be made of the information it contains.

A cascade funding instrument for EU SMEs looking at international co-creation.

Two calls planned:  
1<sup>st</sup> call- April-May 2019  
2<sup>nd</sup> call- December 2019-  
January 2020

Aimed at **innovative  
European SMEs &  
start-ups from all  
sectors**

Funding provided to  
create a Viability  
Assessment Project  
(VAP) with  
**60.000€/project  
available**

Projects will **validate  
international  
cooperation** in a  
target country  
outside  
Europe

Eligibility requirements for the **applicant company**:

- ✓ SMEs and start-ups with an **innovative solution**
- ✓ Established in an **EU member state or a Horizon 2020 associated country**
- ✓ **No sector-specific limitation**, companies from all industries are eligible
- ✓ Have a **target country outside Europe**
- ✓ Have a **local co-creation partner in the target country (no size and sector-specific limitation) with an agreed joint-revenue model** for the proposed VAP project activities

The **VAP proposal** must include:

- ✓ Activities to **explore the practical, technological and commercial viability of co-creating an innovative solution** according to the local market conditions and demands.
- ✓ Defined set of activities from two categories:
  - ✓ **Co-creation and technology uptake facilitation** (innovation and technology transfer services)
  - ✓ **Market prospection** (market research, compliance verification, business prospection trips)

These **VAP conditions** must be fulfilled:

- ✓ Last **no more than six months**
- ✓ **To further the innovative cooperation project** with the local partner in the target country following the project completion
- ✓ **Total project costs of at least 86.000€** (fixed grant will cover max. 70% of total VAP costs)

## 1<sup>st</sup> Call for VAPs

### FUNDING TIMELINE

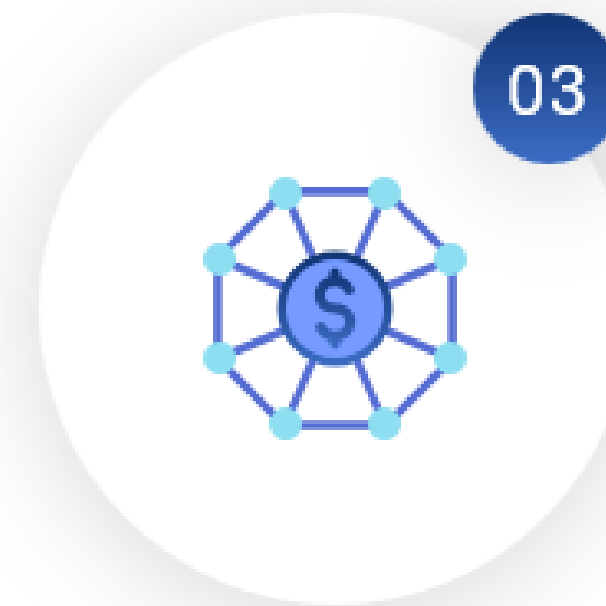

**Call Opening**

April 1st 2019

**Call Deadline**

May 31st

**Results/grant signature**
